

# **Commission Rates**

Once a commission is set up and assigned, staff member(s) will receive the rate when they are marked as having sold this product.

## To set commissions:

1) Go to Staff.

2) On the right hand side, select Commission Rates

#### 3) Select New Commission Rate.

Commissions are awarded when a staff member sells a qualifying product. Tap **New Commission Rate** to create commission rates for your products.

You haven't set up any commissions.		
+ New Commission Rate		

4) Click on the carrot then choose the product you wish to set the commission rate for.

## New Commission Rate

<b>≢</b> Ch	Choose a product				
10 Private Pitching Lessons – \$500.00					
~	Commission rate is a fixed dollar amount				
	Commission rate is a percentage of total sale				
\$					
+(	Create Cancel				

5) Choose whether the commission for this product is a dollar amount or percentage of the sale. Depending on your choice, enter the dollar amount or percentage. Click Create.
